

Kentucky Flood Relief Collection

On the morning of July 28th, Eastern Kentucky suffered devastation due to flooding. Among the areas hardest hit, were the areas around Big Creek Missions, where our youth served in early July. Big Creek stepped in to help the residents there and CUP Church wants to help.

Through September 4th, we will be accepting donations to be sent to Big Creek Missions to assist in the flood relief.

Please clearly mark your donation envelopes “Kentucky Flood Relief” and place in the offering basket. Thank you for donations and continued prayers for the people of Kentucky.
