

For the month of October the Deacons will be collecting for The Beaver County Women's Shelter. The Fall 2023 Wishlist is for "New items" only and "No food items". Items are needed for children/ teens, adult, and shelter items. A detailed list is available on the back of this flyer. The Shelter is fully stocked on toothbrushes, but is in desperate need of multicultural hair products. Paper products (paper towels, Kleenex, toilet paper) and bleach, as well as personal hygiene products (body wash, soap, and lotion) are always appreciated. Let's join in helping to provide protection and cover for those in need. Thank you!

Children / Teens (New Only)
