

# Kentucky Flood Relief Collection

**BIG CREEK MISSIONS** and the surrounding area of Eastern Kentucky has once again been hit with devastating flooding. The CUP Church Missions Committee will be accepting donations to be sent to Big Creek Missions to assist in the flood relief.

Please clearly mark your donation envelopes “Kentucky Flood Relief” and place in the offering plate. There will also be a box outside the office for supplies (needs are listed on the back of this insert). Thank you for your donations and continued prayers for the people of Kentucky.
